

NAET Informed Consent

N.A.E.T. treatments are a natural, drugless, painless and non-invasive method which can be used safely on individuals of any age (infants to the elderly) and regardless of the individual's health. Allergies can be eliminated through N.A.E.T., along with the symptoms arising from the allergens. By reprogramming the brain and removing the blockages from the energy pathways, NAET allows the body to regain perfect balance and function normally to reach optimum health.

NAET can complement other medical therapies requiring the use of pharmaceutical drugs (e.g., antibiotics, chemotherapy, radiation) to treat for any side effects and to maximize the effectiveness of the drugs.

***IF YOU HAVE A LIFE-THREATENING ALLERGY OR ILLNESS, CONTINUE TO FOLLOW ANY REGIMEN OR ROUTINE PRESCRIBED FOR YOU BY A MEDICAL PROFESSIONAL. NAET IS NOT MEANT TO REPLACE EXISTING LIFE-THREATENING THERAPIES, ONLY COMPLEMENT THEM.**

I understand the above statement regarding my NAET treatments and life-threatening allergies/illnesses/diseases.
